Career as a Researcher?

Have you ever had questions about your community, water, land, animals or air?

Why not study them?

Who better to study the Nunatsiavut region than a Nunatsiavut beneficiary?

Let's encourage our people to get a career in research today!

Learn about science and get a career in a field of research!

For more information on research or careers in research please contact the Inuit Research Advisor at Nunatsiavut Government or visit www.nunatsiavut.com or www.naho.ca/inuit/e/ethics
