

Sunburst Consulting is pleased to offer:

***Inuit in Canada:
From Dog Teams to the Internet; Resiliency and Change***

This course is a comprehensive introduction on the Inuit in Canada. This one day course is designed to bridge cultural differences and facilitate awareness and a deeper understanding about Inuit in Canada. The course was designed and is delivered by Inuit.

We attempt to illuminate the Inuit perspectives and getting beyond the statistics to talk about what they mean to Inuit. This is a great course for policy and program delivery people, researchers, organizations and companies that are committed to working in collaboration with Inuit.

Sunburst Consulting feels that by delivering the *One Day Inuit in Canada Course* that we give a well rounded and comprehensive course that is meant to bridge the cultural gap between Inuit and non-Inuit. By presenting current socio-economic indicators from an Inuit perspective we go beyond the numbers and the statistics to look at the impact and implications for Inuit.

The one day course encompasses the areas below:

- Pre-Contact/Contact
- Political structures
- Demographics
- Inuit perspectives on Health
- Housing
- Food Security/Income
- Harvesting
- Inuit Qaujimatugangnit (Inuit Traditional Knowledge)
- Social Etiquette and Communication
- Climate Change
